15th July 2022

Dear Parents and Carers

Given the news that the weather forecast is for exceptionally hot weather next week and the Met office issuing a red weather warning, I would like to reassure you that our first concern is your child's safety. Please ensure your child has a water bottle in school daily as they do have access to this throughout the day and it can be refilled in school.

Next week, should you wish to collect your child at the earlier time of 1.00pm each day, we are able to authorise this. If you choose to collect early, your child will have lunch in school and then be released on to the KS1 playground for collection. School will remain open as usual for children remaining in school. If you wish for your child to leave at the earlier time, please email the school office on **wwattendance@warrenwood.medway.sch.uk** by **10.00am on Monday 18th July** so we can make the necessary arrangements for the children to be released early. Please note that Year 6 children who walk home unaccompanied will not be released early unless an email has been received.

If parents choose to collect at the earlier time, please be prompt as we do not want children waiting for long periods of time outside. Children remaining in school will continue with school activities.

I would like to remind you that school finishes for all children at **1.00pm on Thursday 21st July.**

Best wishes

Mrs Hardie
Headteacher
