Dear Parents and Carers

I would like to express our frustration and concern over the transport situation that yourselves and your children are experiencing at the moment. Please know that we are doing everything we can here to support your children at this time. We unfortunately have no control over the companies that are used to provide the transport for your children.

We have been in contact with Medway transport in an effort to voice our concerns. I would suggest that you also voice your frustrations to Medway transport using the following email address: **[sentransport@medway.gov.uk](mailto:sentransport@medway.gov.uk)**.

If you would like to copy in the Evergreen email address to these emails too, it will help us to know what yourselves and your children are experiencing.

Kind regards

Mrs Woodroof  
Head of School
