Dear Parents and Carers

Intranasal Flu Vaccination – Reception to Year 6 and Evergreen Centre

On **Tuesday 7th November**, the School Health Immunisation Service Team will be in school to administer the intranasal flu vaccination to children in Reception through to Year 6. This vaccination is a simple spray up your child's nose and is recommended to help protect your child against flu, as well as help to protect vulnerable friends and family.

Please find attached an invite letter from Kent Community Health Immunisation Service explaining about the flu vaccination that we have been asked to send out to parents and carers and information on how to give consent for your child to have this vaccination. **Consent can only be given for this by logging on to the portal.**

Please make sure that you have logged on by **Wednesday 1st November, by 11.59pm at the very latest** to either give consent or decline consent, as the Immunisation Service Team is unable to take consent after this date once the portal has closed. If you miss this deadline, you will then have to book your child into a community clinic if you would like your child to have this flu vaccination.

If you have any queries relating to this vaccine, please contact Kent Community Health NHS Foundation Trust directly on 0300 123 5205. Please be aware that Warren Wood is unable to help with any queries relating to the portal as this is run directly by Kent Community Health NHS Foundation Trust.

Please note that if your child is in Nursery (Snowdrop class) and you wish for them to have a flu vaccination, you will need to contact your GP directly to book this.

Please be aware that we are unable to accommodate parents/carers attending with their child on the day. Children will be accompanied by their Class Teacher and TA only.

Yours sincerely

Mrs Woodroof
Head of School
