5th September 2023

Dear Parents and Carers

Reception Height and Weight Checks

The School Nursing Team will be in school on **Tuesday 26th September** to carry out height and weight checks for all children in Daffodil and Tulip classes.

Within the letter from the School Nursing Team (attached to this email), this provides you with further details in relation to these checks, as well as providing you with the links for parents and carers to use to ensure the School Nursing Team receives the information about your child.

- there is a link for the questionnaire that you are required to complete for your child
- a link if you wish to **OPT OUT** from your child having these checks

Children **WILL ONLY** have their height and weight checks initially, as hearing and vision checks will be undertaken between March and July 2024. Once we have been informed by the School Nursing Team, we will inform you when these checks will take place later in the school year.

All parents and carers must complete a questionnaire for the School Nursing Team, even if you wish to opt your child out from having these checks. Please use the link that is on the letter from the School Nursing Team.

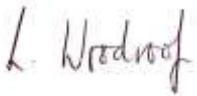

Please note that the School Nursing Team can only take the information from you, by you completing the form via the links that are contained within their letter. If you have any questions or queries regarding these checks or links, please contact the School Nursing Team directly.

Warren Wood Primary Academy cannot take any emails from parents and carers opting their child out of these checks, YOU MUST use the School Nursing Team's opt out form only, available from the link in their letter.

Please can we ask that you action as soon as possible to ensure that the School Nursing Team has the information required regarding your child for these checks.

Yours sincerely

Mrs Woodroof
Head of School
