The School Nursing Team will be in school on **Tuesday 26th September** to carry out height and weight checks for all children in Nightingale and Owl classes.

Within the letter from the School Nursing Team (attached to this email), this provides you with further details in relation to these checks, as well as providing you with the link for parents and carers to use if you wish to **OPT OUT** from your child having these checks

Please note that the School Nursing Team can only take the information from you, by you completing the form via the link that is contained within their letter. If you have any questions or queries regarding these checks or the link, please contact the School Nursing Team directly.

Please can we ask that you action as soon as possible if you wish to OPT OUT to ensure that the School Nursing Team has the information required regarding your child for these checks. You do not need to do anything if you are happy for your child to have these health checks in school.
