Mission Statement

“To nurture and develop all people in our Trust so that they reach their full potential academically, vocationally, and personally, including being positive role models for future generations in the community. We will achieve this by providing high quality values-based education that cultivates employability and life skills making our schools the first choice for young people, parents, carers, staff and employers.”

Values

The values of Respect, Excellence, Collaboration, Independence, Perseverance, Enjoyment, Leadership, Integrity and Care are central to everything we do at the Skills for Life Trust.

Statement of Equality

We have carefully considered and analysed the impact of this policy on equality and the possible implications for pupils with protected characteristics, as part of our commitment to meet the Public Sector Equality Duty (PSED) requirement to have due regard to the need to eliminate discrimination, advance equality of opportunity and foster good relations.

Purpose

Our Policy has been created with health and safety, value for money and practicality at its heart. It has been designed to ensure students wear clothing conducive to a successful learning environment. It is important that our students feel a sense of belonging and take pride in their personal appearance.

This policy has due regard to statutory legislation and national guidance, including but not limited to;

- The Education and inspections act 2006
- The Education Act 2011
- The Human Rights Act 1998
- The Equality Act 2010
- DFE School Admissions Code
- DFE School Uniform code

Costs and availability

Under the School Admissions code 2014, the Trust will ensure that policies around school uniform will not discourage parents from applying for a place for their child.

Skills for Life Trust is committed to fulfilling the DFE's recommendations on costs and value for money. Every care is taken to ensure that our uniforms are affordable and that the best value for money is secured through reputable retailers.

Skills for Life Trust will not amend uniform requirements regularly and takes into account the views of parents and students when considering changes to the uniform.

Religious Clothing

Some religions and beliefs require their members to conform to a specific dress code. Skills for Life Trust does not discriminate against any religion or belief; however, the school must weigh the needs and rights of individual students against cohesion and health and safety concerns of the entire school community.

Parents concerns and requests regarding religious clothing are dealt with on a case by case basis. The school will consider such requests sympathetically.

The Role of Governors

The Governing body supports the Headteacher in implementing the uniform policy in each school. It considers all representations from parents regarding the uniform policy and liaises with the Headteacher to ensure that the policy is implemented fairly and with sensitivity. It is the Governors responsibility to ensure that the school uniform conforms to regulations concerning equal opportunities. Governors ensure that the school uniform policy enables students to dress sensibly, in clothing that is hardwearing, practical and easily accessible.

This policy is reviewed every two years by the Trustees and Headteacher.

Uniform requirements

Non-compliance

Should children arrive in school in incorrect uniform, they will be referred to the pastoral team and if the items are available from our stock, will be asked to change. A telephone call home will be made to inform parents.
