Dear Parents and Carers

Parent Workshop – Supporting with reading at home

Miss Pettit, along with other members of the EYFS and KS1 team, will be running a parent workshop on **Wednesday 7th February** from 2.30pm to 3.00pm.

The aim of the workshop is to give parents and carers some useful, quick and easy ideas for how to support their child/children with learning how to read fluently.

What we will be looking at:

- The importance of reading at a young age
- How to help your child read at home
- How to make reading more fun for both you and your child
- What sort of questions to ask to get your child thinking deeper about their book
- What to do if you are concerned about your child's reading progress

This workshop is for parents of all Reception and KS1 children, so please come and join us to support your child's progress in reading.

If you could please email your child's class teacher using the class email address to let them know that you would like to attend.

Looking forward to seeing you there.

Yours faithfully

S Pettit
