28<sup>th</sup> February 2024

Dear Parents and Carers

## **Years 3, 4 and Cedar Class WOW Day**

I am writing to inform you about an exciting event happening in Years 3, 4 and Cedar class. As a part of our commitment to providing enriching educational experiences, we will be organising a WOW Day on **Tuesday 26<sup>th</sup> March**. This event aims to engage our children in a hands-on learning experience related to their respective year group's topic.

For Year 3, the topic is the Rainforest, while Year 4 and Cedar class will be diving into Ancient Egypt. During the WOW Day, the children will be actively involved in various activities and workshops that will deepen their understanding of these subjects. The children will have the opportunity to participate in a virtual reality experience. This immersive approach enables them to explore the topics through practical experiences, fostering curiosity and a love for learning.

In order to make this event a success, we kindly request a voluntary contribution of **£5.20** per child which is payable via ParentPay only. This contribution will help cover the costs involved in providing necessary resources, materials and expert facilitators to enhance the learning experience for our students. We appreciate your understanding and support in making the WOW Day a memorable and educational event for your child.

To further enhance their learning experience, the children will also have the opportunity to participate in the preparation of delicious treats - making chocolate in Year 3 and baking bread in Year 4 and Cedar class. This hands-on activity not only reinforces their understanding of the topics but also encourages teamwork and promotes essential life skills.

Thank you for your continued support and cooperation. We look forward to an exciting and educational WOW Day.

Yours sincerely

*S Pettit*
