20th March 2024

Dear Parents and Carers

PrimeVR Workshop - Permission Slip Years 3, 4 and Cedar class

We have booked for a company called PrimeVR to come and deliver a virtual reality workshop day at our school on **Tuesday 26th March**. We think this is a fantastic opportunity for our pupils and will help to bring our topic to life.

More details regarding this virtual reality workshop is attached. Please can you read through this before signing the permission slip and feel free to contact your child's class teacher using the class email address or the company direct on info@primevr.co.uk if you have any further questions.

Yours sincerely

S Pettit

Fox Class Teacher

Cooper

Mrs Cooper
Cedar Class Teacher / Evergreen Lead

Reply Slip: PrimeVR

(please return back to your child's class teacher by Friday 22nd March at the very latest)

PrimeVR has been delivering workshops using virtual reality since 2017. You can see what schools, teachers and parents think of our workshops by checking out our reviews on Google and Trustpilot. Our workshops have been specifically designed for schools to help bring learning to life and they are delivered by an experienced member of the PrimeVR team in a controlled and supervised environment.

During our workshops, we implement the following safety measures:

- A full safety briefing is delivered at the start of every workshop and VR usage will be supervised by an adult at all times. A safety video will also be shared with every class prior to our arrival.
- Pupils share one headset between two and only use VR for a maximum of 15 minutes during our workshops (this time is also split up into 1-2 minute segments). In between using a VR headset, we interact with pupils by asking questions, creating discussion and by setting mini activities.
- All of our VR headsets are controlled by a central iPad/tablet which allows a member of the PrimeVR team to deliver specific educational content.
- We only use VR headsets to provide a visual experience and pupils will always remain seated whilst participating in one of our educational workshops.
- All headsets are cleaned using Clinell Universal wipes in between classes.
- Please note, an iPad/tablet will always be made available as an alternative device for anyone who doesn't want to use a VR headset during their workshop.

We use Pico G2 4K VR headsets during our workshops. You can find out more information about these headsets, including any safety guidelines, by visiting <https://www.picoxr.com/>. We believe the additional measures we've put in place, alongside adult supervision, provides a safe environment for all pupils in KS2 to use VR for short periods of time for educational purposes only. If you have any further questions about anything, please don't hesitate to contact us at info@primevr.co.uk. Please note, if you do not want your child to use a VR headset, please inform the school and we will be able to provide an iPad/tablet as an alternative device for accessing our workshops.

Child's Name: _____ **Class:** _____

- I **DO / DO NOT** give permission for my child to use a VR headset during a workshop with PrimeVR on Tuesday 26th March. *(please delete as applicable)*

Parent/Carer Name: _____ **Date:** _____
